THE MARTIN FAMILY

Jobe • Jenna Dee • Taryn • Mirren

Jobe and his wife Jenna Dee started Biblical Discipleship Ministries in 1986. Their desire was to see Christians (both families and individuals) make the Bible their manual for everyday living and become equipped to make a Biblical difference in the world. Since 1986, Jobe, Jenna Dee, and their daughters, Taryn and Mirren, have travelled extensively with BDM internationally. Jobe is the featured speaker on the three-part DVD series entitled *Incredible Creatures that Defy Evolution* as well as the *Creation Proclaims* series. He has written *The Evolution of a Creationist*. In 2012 BDM published the booklet, *Biblically Handling Technology and Social Media*. Jobe most commonly speaks on creation vs. evolution, family discipleship, worldviews, cultural deception, and Bible prophecy. Jenna Dee teaches wives and mothers while Taryn and Mirren have a discipleship ministry to girls and young ladies. SESSION DESCRIPTIONS

GUYS SESSIONS

Dinosaurs, Evolution, and the Battles of Our Day (Dr. Jobe Martin)

People love to talk about dinosaurs. What most people don't realize is that what we know about dinosaurs actually support the biblical account of creation—not evolution. Acknowledging our Creator and confidence in His design is foundation for a proper Biblical worldview and therefore for the spiritual strength and steadfastness of the next generation. In this session, Dr. Martin also shares fascinating facts about many different creatures the Lord has created. He will explain how it is utterly impossible for them to evolve. He will also share how each one of these irreducibly complex and amazing creations can be used to testify and proclaim that there is a Creator God who is the Lord Jesus Christ. It is important in building the faith of our young men for them to see the battles for truth that our raging in the world around us. It will also give them weapons for warfare and confidence in battle. This talk will help equip young men with foundational truths about creation which will enable young people to stand strong against the attacks of evolution and secular humanism in the academic arena and today's culture.

Dragons that young Men Face – Protecting Purity (Harold Mally)

No area of life damages our young men more than poor decisions and defilement in the area of purity. The years of one's youth can be filled with mighty works, or be defeated by "dragons" we encounter. What are some of the dragons our young men face and what weapons has God given us for victory? What basics do young men need to know to understand marriage? How can good foundations for marriage be laid now? What is happening in our world that Christian young men must defeat?

Being a Godly Young Man – Lessons on Leadership (Dr. Jobe Martin)

Through the lives of biblical men and women, Dr. Martin will demonstrate to parents and young people how they can live with a view toward eternity—teaching them the value of one person's life before the Lord. Having a goal in life, standing alone amidst the increasing opposition of our age, and being a biblical leader in the midst of our changing culture are themes Dr. Martin will cover in this session. Dr. Martin will cover leadership principles found in the lives of Nehemiah, Shamgar, Esther, and Shadrach, Meshach, and Abednego.

Being Bold With the Gospel (Harold Mally)

When young men speak, people listen. But how do we get a witnessing conversation started? What if we get a question we can't answer? What if we feel scared? How can we articulate the truth of the gospel with boldness, confidence, clarity, and accuracy? In this session, Mr. Mally will share practical tips, ideas, and stories about how to effectively communicate the gospel to those around us. The answers to the problems of the world are not political or economic. The all come back to the cross of Christ.

GIRLS SESSIONS

Radiant Purity – Waiting for God's Best (Sarah Mally)

A young lady who is pure will shine with a radiant brightness in this world of darkness. This session encourages girls to have a vision for God's very best in their life and future marriage. Sarah talks about the dangers with the world's system of dating, and challenges girls to purpose to marry only a Christian—a strong Christian who will be a spiritual leader in their family. How should girls prepare now? What if they feel they have already made mistakes? How can they have a strong testimony in this area? Sarah encourages them to wait for God's best and God's timing, and to focus on glorifying the Lord in this area of their lives.

Guarding Your Heart When you Have a Crush (Sarah and Grace Mally)

Many young ladies struggle with controlling their thoughts. Many get emotionally attached to young men prematurely. This session encourages girls to "keep their hearts with all diligence" (Prov. 4:23). Sarah and Grace encourage girls to memorize Scripture, recognize lies of the enemy, build strong relationships with parents, walk by faith, and to show wisdom and caution in the relationships and influences they allow in their lives.

Have You Been Captured By Counterfeit Beauty? (Taryn and Mirren Martin.)

Biblical beauty is becoming less understood and less sought after in today's Christian culture. Many Christian young ladies have subliminally embraced a counterfeit beauty, failing to recognize its worldliness. As a result, their effectiveness as ambassadors for the Lord Jesus Christ is weakened. As a young lady finds her strength in the joy of the Lord, His beauty will be upon her in what she says and does (Ps. 90:17). He will fill her with the beauty of love and concern for the needs of others over herself. Seeking after Biblical beauty will not only enhance a young lady's life as she displays the "fragrance of Christ" to others, but will also make her more pleasing to the Lord and therefore more able to be used for God's glory.

Deepening Your Walk With Jesus

What are we seeking after in this life? How can we fall in love with the Lord and know Him as a best friend? How can we develop a greater desire for His Word? How can we avoid things that distract us from our true priorities? Sarah, Grace, Taryn, and Mirren will give vision and encouragement to young ladies. True fulfillment in our lives will only be found as we turn to the Lord for satisfaction and pour out our lives for Him.

EVENING SESSIONS

Families for the Kingdom of God (Mally Family)

It is easy to underestimate the tremendous potential we have as families for the Kingdom of God. In this workshop, the Mallys will share how important it is for every family to be serving the Lord together as a family team. When a family works together for the Lord, the young people are given motivation and vision, the family learns to overcome struggles and work in harmony, and mighty works are accomplished for God's kingdom. This workshop will give encouragement, direction, and practical ideas for developing a "ministry mindset" in children and ministering together as a family. (continued on next page)

(EVENING SESSIONS, CONTINUED)

Biblically Handling Technology and Social Media (Dr. Jobe Martin)

Our culture is changing at a terrific speed and today's youth are not always getting the Biblical principles they need in time to help them make wise decisions. In this session Dr. Martin will share a Biblical approach to social networking, blogging, YouTube, Smartphones, texting, iPods, Kindles, etc. which are a huge part of everyday life now. While these technology innovations are not bad in and of themselves, they can have a negative influence on our lives if our use of them is not guided by Biblical principles. This session will present specific Scriptures to help guide Christian teens, young adults, and families in their use of technology-based systems so that they will glorify the Lord - not feed the flesh.

Developing Discernment in our Culture of Deception (Dr. Jobe Martin)

Have we Biblically equipped ourselves to discern good from evil and to develop Biblical "glasses" from which we view cultural trends? The Bible is our blueprint for living, therefore by using Biblical authority we can effectively respond to such trends as the New Age Movement (now called the New Spirituality), the Emerging Church, Christian culture's increasing interest in the occult (seen in the fact that so many Christians embrace the entertainment of Harry Potter, Twilight, etc.

Training the Younger Generation to Be Strong in the Lord (Mally Family)

How can we have Christ centered families in an ungodly world? How can parents win the hearts of their children? How can brothers and sisters learn to be best friends with each other? How can parents pass on a Biblical foundation? The Mallys will share practical ways to encourage the next generation to be strong for the Lord in their youth, avoid rebellion during the teen years, and have direction for their life and ministry.
